

Name _____

Mr. Monk and the Earthquake

1. What do you notice about the facial expressions and actions of the wife at the beginning of the movie? Can you tell how she feels about her husband before anything happens? Explain.
2. Although Mr. Monk is not speaking English, how does Sharona know that he wants to speak to the doctor on the phone?
3. What do you notice about the behavior of Sharona's sister when the Australian guy is at the house during the evening?
